INSTRUCTIONS

Column A.

List horses which were owned by you at 12:01 a.m. on January 1, whether on your premises or not. Then list all such horses on your premises, under your control, or in your possession at 12:01 a.m. on the first day of January that belong to others. Show their names and registration numbers, if any. If unnamed, so state. Exclude "racehorses," "pets" and horses qualifying for the "business inventory exemption," as defined below.

A racehorse is a live horse, including a stallion, mare, gelding, ridgeling, colt, filly, or foal, that is or will be eligible to participate in or produce foals which will be eligible to participate in a horseracing contest in California wherein parimutuel racing is permitted under rules and regulations prescribed by the California Horse Racing Board. Racehorse does not mean or include any horse over three years old, or over four years old in the case of an Arabian horse, that has not participated in a horse race contest on which parimutuel wagering is permitted or has not been used for breeding purposes in order to produce racehorses during the two previous calendar years. Racehorses are to be reported on form BOE-571-J, Annual Racehorse Tax Return, or on form BOE-571-J-1, Annual Report of Boarded Racehorses, which may be obtained from the Assessor (Revenue and Taxation Code, section 5703).

Pets means any animal held for noncommercial purposes and not as an investment. A show animal that is awarded ribbons or cups would not be considered as held in connection with a trade, profession, or business. However, when the animal's proficiency gains monetary or other awards of substantial value, or when the animal is used in the production of offspring that are sold or exchanged for items of substantial value, it is no longer considered a pet. (Rule No. 134, California Code of Regulations)

Horses eligible for the business inventory exemption include all horses held primarily for sale or lease in the ordinary course of business and horses employed in the raising of crops or in the feeding, breeding, and management of livestock. (Rule No. 133, California Code of Regulations)
